**"MERRY CHRISTMAS AND A HAPPY NEW YEAR TO YOU ALL"**

## Chairman's message

### "Poking holes in the darkness".....

I need hardly remind readers that the Christmas Season of Goodwill is nearly upon us and that, this year, the festivities will possibly be restrained by limitations placed on the numbers of people deemed able to gather safely.

Social distancing does not stop anyone caring for their neighbour -- and showing this by a telephone call or a knock on the door to show that you care, and to check that all is well.

Over 150 years ago in a cold and foggy Edinburgh the writer Robert Louis Stevenson, then still in his childhood, sat mesmerised looking out of his frost covered window watching an old lamplighter slowly working his way through the black night, lighting each gas street lamp along his route. Pointing out on the scene Robert exclaimed, "See! Look there! There's a man poking holes in the darkness."

Can you poke a hole in the darkness of a neighbour's need for a kind word or small deed at what could be a stressful or lonely time?

Whatever happens over the next few months we know that with a successful vaccine being produced we have the measure of Covid-19 in the long run. In the meantime please stay safe, act responsibly, and enjoy your Christmas.

**Flooding issues:** Talking about consideration for others reminds me to caution vehicle drivers when driving through flood waters – quite apart from the need to drive slowly to minimise bow wave damage to roadside property are you aware that you drive through flood waters at your own risk? Insurers may well decide that any resultant damage to your vehicle was self inflicted and therefore refuse to cover repair costs.

**Footpaths and other Rights of Way:** Your Parish Council has entered into fruitful discussions with farmers in the north of the village to clarify confusing routes, improve signage and stiles. These improvements will not take place overnight but will be reported on fully in January.

In the meantime there are many things that walkers (& dogs) could and should do quite apart from desisting from criminal acts such as cutting or destroying fencing, or trespassing:

"Whilst you must not ride or roam over farmland, Rights of Way are defined paths and tracks which anyone can use to cross private land. You have a legal right to use them at any time of the day or night but keep gates closed and do not cut fences.

You can take a dog on a right of way but the dog should not run off the definitive line of the path and you must keep it under close control. **Please pick up and take home** your dog's fouling – to leave it is unpleasant for everyone and dangerous: *Toxicara canis* is harmful to people and *Neosporosis* to farmers' livestock."

*Chris Saunders*

**Next Virtual Parish Council Meeting is the January 18th at 7.30pm. We welcome all to attend virtually and to contact Gill Tatum, the Clerk via [clerk.easterton.pc@gmail.com](mailto:clerk.easterton.pc@gmail.com) before 12 noon on the 18th January 2021 for joining instructions.**

We would encourage you to use the excellent village website for information, regular news updates, Parish councillor and volunteer contact details, Parish Council and Village Hall minutes of meeting, past and present issues of the Easterton Echoes and other interesting facts of Easterton, Easterton Sands and Eastcott.

## IMPORTANT INFORMATION on COVID

### CORONAVIRUS (COVID) VACCINATION UPDATE

The government wants less than 5% of vaccines to be wasted, so it is likely that vaccine appointments will be offered at very short notice, and you may need to rearrange any existing plans to be able to attend your vaccination appointments.

#### Where will people get the vaccine?

The NHS is putting new delivery channels in place, tailored to vaccine requirements:

•**Hospital hubs:** dozens of NHS trusts will act as hospital hubs where patients and staff can be vaccinated on site. More hospitals will start vaccinating over the coming weeks and months as the vaccine supply increases.

•**Local vaccination services:** to make it as easy as possible for those who are eligible to access a vaccination safely, local vaccination services will also be available. These community and primary care-led services will include GP practices, local authority sourced buildings or other local facilities, and as vaccine supply increases in the new year, local pharmacies too.

•**Vaccination centres:** the NHS will also establish vaccination centres, where large numbers of people will be able to go and get a jab. The majority will open in the new year when supply of the vaccine increases. They are being set up in local venues such as sports stadiums and concert venues that offer the space to deal with large numbers of people while maintaining social distancing.

**ALL patients due for vaccination will be contacted directly with all details.**

**The best way you can help your practice deliver the vaccine is to ensure that they have the correct contact details for you, mobile phone, e-mail, and if you are housebound.**

**PLEASE Contact your surgery below to confirm your details.**

## COVID-19 UPDATES:

For more information about council services visit the Wiltshire Council website

<https://www.wiltshire.gov.uk/public-health-coronavirus>

From 23 December to 27 December, you may choose to form a [Christmas bubble](#) with up to two other households: If you do form a Christmas bubble, you should not meet socially with friends and family you do not live with in your home or garden unless they are part of your Christmas bubble.

You can travel between tiers and UK nations for the purposes of meeting your Christmas bubble and people should follow local restrictions in the tier in which they are meeting. If you do not form a Christmas bubble, you should continue to follow the [guidance](#) for the tier you are in.

## HAVE YOU GOT THE MYWILTS APP YET?

To simply, quickly and easily book and report Wiltshire services is to use the MyWilts app. Go to [www.wiltshire.gov.uk](http://www.wiltshire.gov.uk) for more details how to register and use it on your computer or phone if compatible.

## ST BARNABAS CHURCH NEWS

### Christmas arrangements Church News from St Barnabas

Well, all change again. The following is the most up to date information on the church services over Christmas. Masks must be worn and attendance "booked" so that seating can be arranged and numbers limited.

We will continue to be open for private prayer on Sunday morning 9.00am until 12.00pm and Wednesday afternoons 12.00pm until 4.00pm. There will be a communion service somewhere in the benefice at 11.00am each Sunday and a mid week service at 10.00am on a Wednesday on a rota basis.

### Specific services for St Barnabas Church are as follows:

Communion services  
**Sunday 20th December 11:00 am**  
**24th December Communion 10.00pm.** Please remember to pre-book as numbers are limited to no more than 30, call the church office:  
Tel: [01380 816963](tel:01380816963)  
Please note that Communion Services also will be without singing or wine for the congregation.

There are also three carol services at the other Churches:  
Great Cheverell: **Sunday 20th December 4pm and 6pm**  
West Lavington: **Tuesday 22nd December** Nine lessons and Carols

Both of these are limited in numbers and must be pre-booked. Tel: [01380 816963](tel:01380816963). There will be choral but not congregational singing.

Zoom Services continue at 10.00am on Sunday mornings including one on Christmas Day entitled 'Christmas on Zoom'. The link for all zoom services is <https://us02web.zoom.us/j/7192406094>.

Sue Allen would like to thank everyone who responded to the request for toys for the Salvation Army/Social Services Appeal. Sue was able to deliver 'a car full' of toys to them on December 1st. *"I wish everyone a happy, healthy and peaceful Christmas."*

## THE POTENTIAL CLOSURE OF THE HOME FOR THE VULNERABLE IN FURLONG CLOSE, ROWDE

**"THE TRUE MEASURE OF ANY SOCIETY CAN BE FOUND IN HOW IT TREATS ITS MOST VULNERABLE MEMBERS"**  
*Mahatma Gandhi*

**A message from Mark Steele** " I am a member of a group of families and friends of the 33 vulnerable residents who live at Furlong Close in Rowde. We were told in October that Hft Wiltshire and Wiltshire Council had "jointly" decided that their home is to be closed down and they are to be relocated. I am writing to appeal to you, on behalf of the families and the local community in Rowde and Devizes, for your support in making representations to Hft Wiltshire and Wiltshire Council to allow our vulnerable relatives to remain in their longstanding homes in Furlong Close.

One of the day-care users at Furlong Close, Alan, who has Down's syndrome and lives with his parents in Market Lavington, has recorded a short video which briefly tells his story and appeals for help to keep Furlong Close open, which I invite you to listen to this recording:"

## **MAKING GOOD USE OF OUR PARISH STEWARD!**

Wiltshire Council's 'Parish Steward Scheme' had its successful origins in the 1990s. However after a break in the late 2000s the scheme was reintroduced in 2016 where 'Parish Stewards' liaise directly with Parishes to carry out local minor highways work 'swiftly and efficiently'.

The Parish Stewards report issues and undertake repairs and maintenance themselves, meaning they are a 'one stop and done' service. The Stewards will help prioritise the needs of their patch including roads, pathways, drainage and verge maintenance. Their remit could include painting railings, highways strimming and undertaking minor pothole repairs.

Easterton's Parish Steward liaises with our own parish councillor Anthony Snook once a month to prioritise jobs that need doing in and around the Parish. If any Easterton, Easterton Sands or Eastcott Parishioner is concerned about any aspect in the Parish as itemised above please contact Anthony directly and if appropriate then it can be added to the Worksheet.

or contact the Parish Clerk Email: [clerk.easterton.pc@gmail.com](mailto:clerk.easterton.pc@gmail.com)

### **By the way !**

**The Parish Council would like to thank the kind resident that took it upon themselves to clear a part of Easterton 1 footpath that runs from Sam Moores Lane. It was getting rather choked with leaves and it is now much improved. The PC have engaged the Parish Gardener, Mark Goddard, to carry out a comprehensive clearing of this footpath which he hopes to start in January.**

**Thanks should also be extended to Dougie Law who regularly clears the area around the water pump at the bottom of Kings Road, this is a particularly problematic area following heavy rain. *THANK YOU Dougie* and any other residents of Easterton that carry out these kind acts for the good of the community, it does not go unnoticed!**

## **DOG NAPPING UPDATE - THE POLICE REPORT TO DATE**

Fears that dog napping is on the increase (see The Gazette article online) but please read the following: The editor has approached the police on this matter and received the following:

Message from the Acting Police Sergeant Alanna Wakeford

'From what I can gather there has not been a spate of dog napping in Wiltshire in the last few months I am glad to report. I think we all got a bit worried after a car was seen by the boundaries with Hungerford and some comments that were made to some game keepers and some men apparently trying to break into kennels. I have not heard of anyone being overwhelmed while out walking their dogs. I think quite naturally people have panicked because we all care for our dogs and the thought of them getting stolen is like losing a family member and possibly some posts have been made that are exaggerated and things end up on social media which are not true.

We hope everyone will continue to be vigilant during these dark nights of their property and animals to help prevent any incidents but I think you can tell the residents there is no sudden surge in dog napping in Wiltshire at the moment.

Have a safe Christmas.

Regards

**APS Alanna Wakeford      Acting Police Sergeant 2841**

Editor Footnote : Take your phone with you and take a photo of anything that is suspicious and report it to the police. There is a campaign going to make theft of dogs and animals a criminal offence.

## What's your story ?

**Mike and Sue Allen** are familiar faces and active volunteers for many organisations in the locality so we were thrilled that they agreed to give us a small insight into their lives.

### Q. How long have you lived in Easterton?

*For almost 43 years we have lived on the High Street.*

### Q. What brought you to Easterton?

*Mike: As a police officer I was transferred from Scenes of Crime in Swindon to Headquarters in Devizes.*

### Q. How would you describe your life in eight words?

*Sue: Busy, happy and contented with time to relax.*

### Q. Where were you born?

*Mike: I was born in nearby Westbury.*

*Sue: In the historic Railway Village in Swindon.*

### Q. Education, where did you go to school/college/university?

*Mike: Westbury which is where I met Sue.*

*Sue: I went to primary school in Bradford-on-Avon and then Trowbridge Girls High School.*

### Q. Family, tell us a bit about your family?

*Both: We have a son and daughter who grew up in Easterton and attended Lavington School. They now live in Gloucester and Liverpool respectively.*

### Q. What is your greatest achievement?

*Sue: Having two children who have both become people to be proud of.*

*Mike: Throughout my career as a police officer, I have dealt with many major incidents within Wiltshire together with many other officers who have become great friends. One such incident occurred in Yatesbury on the A4. A young girl was found on the grass verge with life threatening injuries having been violently attacked. A thorough examination and some critical observations allowed me to provide information to my colleagues that led to the arrest of the assailant, when interviewed he admitted to a murder in the adjoining county of Gloucestershire. In the quiet county of Wiltshire, you would be amazed at the number of serious offences that our brilliant Police have to deal with.*

### Q. If you could acquire any talent, what would it be?

*Sue: To sing in tune!*

### Q. With whom in history do you admire the most?

*Sue: HM The Queen.*

### Q. What is/was your favourite/most interesting job?

*Sue: Working at Lavington School for 21 years as Assistant Bursar/Finance Manager.*

*Mike: It would have to be my career as a Police Officer.*

### Q. What is your favourite occupation/hobby?

*Sue: Reading and walking.*

*Mike: Oil Painting plus learning to play the guitar and ukulele. My other interest is a study of the First World War, this came from me assisting the staff and pupils of Lavington School on one of their field trips to The Somme and Belgium Battlefields, a very moving experience for them and for me.*

### Q. Who/what is your favourite author/book?

*Sue: Winter Solstice by Rosamunde Pilcher*

*Mike: Sebastian Faulks who writes quite a lot about WW1 in France.*

### Q. Do you have a favourite composer or music artist?

*Sue: Alfie Boe*

*Mike: Elton John*

### Q. What's your favourite film/TV programme?

*Sue: At the moment I am enjoying The Repair Shop.*

### Q. Is there a plant/flower that is a particular favourite and why?

*Sue: Freesias*

### Q. If you could eat only one thing for the rest of your days, what would it be?

*Sue: Porridge*

### Q. If you could be anywhere else in the world where would it be?

*Sue: Applecross in The Scottish Highlands.*

*Mike: I love Easterton and having lived here for some 42 years, there is nowhere else I would rather be.*

### Q. How have the last few COVID months been for you?

*Sue: It has been good to have a more relaxed lifestyle, to be able to walk most days and for Mike and I to spend more time together.*

## EASTERTON VILLAGE HALL

Charity Number: 305510

**Trustee News.** It is with great regret that we announce the retirement of Moira Armstrong from the Board of Trustees. Moira joined the committee in September 1999 as the representative of the Archery Club, becoming chairman at the 2010 AGM. The trustees are grateful for her 21 years of dedicated service to the hall, not least many years unheralded volunteering to keeping the premises clean and presentable, thus saving the management committee considerable expense while accumulating funds for improvements. She will be especially remembered for her annual cabarets – highlights of the village calendar – which have also raised much needed funds over the years. We are delighted to be able to confirm that it is her intention to resurrect the annual cabaret as soon as circumstances allow.

**Hall Modernisation Update.** The final phase of the hall modernisation programme is now under way. Works include completion of the gentlemen's and second disabled toilets, fitting out of the second function room in the North extension, conversion of the former toilets and

small store into a new storage area and improved access to the stage. The second function room will include a simple coffee station adjacent to the double doors leading to the children's play area. The contractors estimate completion by the end of January 2021.

**Annual General Meeting.** The minutes of the last AGM held on 1<sup>st</sup> December 2020 by Zoom are available for viewing on the village website: [www.eastertonpc.org.uk](http://www.eastertonpc.org.uk).

Christmas Shopping with [smile.amazon.co.uk](http://smile.amazon.co.uk) will support the Hall Funds, select Easterton Village Hall as your charity and shop at [smile.amazon.co.uk](http://smile.amazon.co.uk) you will find the same prices, selection and shopping experience and AmazonSmile will donate 0.5% of the net eligible purchase price to the Village Hall funds.

**Co-op Local Community Fund.** We are one of this year's beneficiaries. As a Co-op member you will be able to select **Easterton Village Hall** as your nominated beneficiary.

David Green (Village Hall Committee)

## FOCUS ON ENERGY

Grant schemes for electric vehicle charging infrastructure – Office for Low Emission Vehicles

The government offers grants to support the wider use of electric and hybrid vehicles via the Office of Low Emission Vehicles (OLEV). This includes:

- The Electric Vehicle Homecharge Scheme (EVHS) provides grant funding of up to 75% towards the cost of installing electric vehicle chargepoints at domestic properties across the UK.
- The Workplace Charging Scheme (WCS) is a voucher-based scheme that provides support towards the up-front costs of the purchase and installation of electric vehicle charge-points, for eligible businesses, charities and public sector organisations.
- The On-street Residential Chargepoint Scheme (ORCS) provides grant funding for local authorities towards the cost of installing on-street residential chargepoints for plug-in electric vehicles.

**Editor comment:** I will be looking at ways for the community to discuss and move towards being zero carbon for the our future and the climate including at looking after and planting new green corridors. Hopefully more news in the New Year.

The Parish Council is still looking to the community residents to come forward with possible ideas to help improve our village or community. Please contact the Clerk with an outline of your idea or potential project email : [clerk.easterton.pc@gmail.com](mailto:clerk.easterton.pc@gmail.com)

## THE HAZEL DORMOUSE IS UNDER THREAT

This minute, rare, nocturnal animal of golden-sand fur, big black eyes and long, feathery tail, is a hazel dormouse. They can spend their time, as much as 7 months asleep or foraging high up in trees. Once widespread in Britain, the species has seriously declined in both population and range over the past 100 years – making the hazel dormouse one of Britain's most endangered animals.

These elusive rodents favour deciduous woodland, overgrown hedgerows, and scrub. They have a varied diet such as feasting on the flowers of oak, hawthorn, sycamore, and willow in the spring,

then on to other flowering shrubs such as honeysuckle and bramble. If the weather is cold and wet, and food scarce, the dormouse will endeavour to save energy by going into torpor; it curls up into a ball and goes to sleep. Prior to hibernation autumn, they must double their body weight so in autumn they tuck into any available nuts, seeds, and berries.

From October to November, they hibernate in damp areas preferring to nest in a tightly woven ball of leaves in the base of old coppiced trees, hazel stools or under log piles. They need the cool conditions in order that their body temperature and heart rate is lowered preserving their fat reserves. The damp conditions are a necessity during this period of hibernation due to the loss of water vapour through the animals breath as they do not wake up and drink regularly. By the way it is true they do snore !

So to help this enchanting little animal's survival, we need to preserve the composition, structure and diverse woodland and hedgerow habitats. Coppicing, particularly of hazel, provides a perfect habitat for dormice, with well-linked branches which act as pathways, lots of different shrub species and not too much shade from large trees overhead.

## ENTERTAINMENT AND THE ARTS IN WILTSHIRE THE WHARF THEATRE

The theatre has re opened with rehearsals well underway for the first show at the Wharf, in Devizes, post the nation's second lockdown.

The Wharf is now open with a whole host of covid secure productions lined up for the coming months. Set among an impressive waterside warehouse standing on the banks of the Kennet and Avon Canal, has been able to host up to 96 audience members since 1979.

Like other establishments, it has been forced to close for most of the year and pushed back performances.
