## Devizes residents asked for their views on town's new health centre

Healthwatch Wiltshire is calling on Devizes residents to have their say on the new health centre which is due to open in the town this summer.

Devizes Health Centre will be one of the region's first integrated care centres with several organisations coming together to provide a range of health services from one building.

The new facility, currently being built on Marshall Road next to the Devizes Treatment

Centre and Green Lane Hospital, is designed to give additional space for health services in the area, making it easier for patients to access the care they need locally all under one roof.

Healthcare professionals from four local GP surgeries will provide patients with same day or next day medical care, as well as routine blood tests and clinics for things like asthma and diabetes, after being referred by their own GP surgery.

Royal United Hospitals Bath NHS Foundation Trust (RUH) will be providing outpatient services including audiology, care of the elderly, paediatrics, rheumatology and urology, while Avon and Wiltshire Mental Health Partnership NHS Trust (AWP) will provide some of its mental health services from the new health centre.

The arrival of the new centre will also mark the closure of Devizes Community Hospital, with services currently provided there moving to the new site.

## Share your views

Bath and North East Somerset, Swindon and Wiltshire Clinical Commissioning Group (BSW CCG) has asked Healthwatch Wiltshire to find out how you would like to access services at Devizes Health Centre and what opening hours would suit you.

**Stacey Sims**, Healthwatch Wiltshire Manager, said: "We are keen to hear from Devizes residents about how these services will work for you. Your views will help ensure these services meet your needs."

The survey is available at [smartsurvey.co.uk/s/DevizesHC](https://smartsurvey.co.uk/s/DevizesHC)

Due to the design of our survey, it may be easier to complete it on a larger screen, such as a computer, laptop or tablet.

You can also call us on **01225 434218** to complete the survey over the phone, or ask for a paper copy to be sent to you.

Everything we hear will be shared with BSW CCG and those who will be providing services at Devizes Health Centre. All responses are anonymous.

The survey closes on **Sunday 20 March 2022**.
