

# EASTERTON ECHOES

## EASTERTON, EASTCOTT AND EASTERTON SANDS

ISSUE 27 26TH FEBRUARY 2022

### Chairman's Message

I am extremely conscious that a large percentage of the population have, over a period in excess of two years, been conditioned to doubt their ability to return to what we used to call 'a normal life'. I came across the following article recently and offer it to everyone as one way to step back from our preoccupation with Covid worries, and restore some of our self-worth and desire to interact with our friends and neighbours as before:

*"My worth as a person is not determined by what I have. My material possessions, my academic attainments, my successes, my income and my bank balance do not define my worth as an individual and unique human person. My worth is not determined by what's outside myself. The bad spirit, the enemy of my human nature, would have me believe otherwise.*

*I'm infinitely richer than that.*

*It's so easy to get caught up in what we think we need and desire, but in the cold light of day we see the illusions for what they are.*

*Solidarity with one another, rather than competition with one another, is God's idea of what life is about."*

Chris Saunders

PS. The Environment Day planned for March has unfortunately had to be postponed due to circumstances. A new date will be announced later on boomCast.

**In mind of the recent storms, Wiltshire Council** received 950 reports of trees down and obstructions on the Highway caused directly by **Storms Dudley, Eunice and Franklin**. Most reports were made through the **MyWilts** app which made it easier for the emergency workers to pinpoint the exact positions of the incidents.

Make sure that **you** have got the **MyWilts** app on your phone to instantly report anything that needs dealing with such as fallen trees blocking roads, abandoned vehicles, fraud, fly tipping, dog mess or graffiti. This MyWilts app can be used on a PC, tablet or laptop.

[www.wiltshire.gov.uk/mywilts](http://www.wiltshire.gov.uk/mywilts)

Another handy App to have on your phone is [what3words](#). This app will give you the exact place you are standing in at the time. This is useful for the emergency services to be able to respond to exactly the place where you or others are in need of help.

### ALLOTMENTS in EASTERTON

The Parish Council is considering to establish allotments within the curtilage of the parish for the use of Easterton Residents. We are still at an embryonic stage but would like to hear from anyone who would be interested in a plot to grow their own vegetables.

To register your interest please contact:

## A MESSAGE FROM CLLR. DOMINIC MUNS Wiltshire Councillor for The Lavingtons

On Tuesday 15<sup>th</sup> February I sat in Full Council from 10:30am until 9:10pm to debate the new budget. I will spare you a complete summary since the agenda pack was 597 pages of A4... front and back! I will instead pick out two elements that grabbed headlines.

The Council proposed an increase to parking charges across its carparks by 10p. The fact is that there is a finite amount of budget available to cover the many elements of our lives that Wiltshire Council supports. The proposed car parking charge increase will help to support the Council's responsibility over Adult Social Care, Children's Services and much, much more.

The main argument voiced by the opposition *against* the increase was that "it will kill the high street". I am a huge champion of small businesses and for almost 15 years my business has worked with hundreds of bricks-and-mortar retailers desperately trying to compete in an ever-evolving landscape. I was annoyed to hear such a misinformed statement about parking charges. The high street began to struggle 40 years ago with the creation of out-of-town retail parks - all the shops you need on one site without the need to sit in town centre traffic. In the 90's, developers realised that they could create an even bigger draw by adding a TGI Fridays and a bowling alley and it worked, even more of us abandoned the high street. This had nothing to do with parking charges, customers chose convenience and many high streets lost out.

Today even the out-of-town "leisure" developments are finding things tough because of the huge impact of the internet. Amazon has taken away the need to even get off the sofa. Thankfully Devizes *has* been evolving with some excellent restaurants and bars springing up, a beautiful cinema nearing the end of refurbishment, food pop-ups, beer festivals and more. By encouraging our high streets to provide the specific thing that Amazon cannot – an exciting experience – they will attract visitors back. Blaming the death of the high street on car parking charges reflects the blinkered attitude that has seen many high streets fail to evolve and unable to compete.

Later in the meeting I was deeply concerned by the proposed removal of financial support for our Lunch & Friendship Clubs. These small, local initiatives play a vital role in supporting residents. However, I was shocked to discover just how broken this system was. Marlborough, with a population of 8,000 has one single lunch club which received £68,000 in funding. The 3 clubs in Trowbridge (with a population of 44,000 people) were given just £9,000 combined. Are Marlborough residents worthy of £8.50 per person whilst Trowbridge residents deserve just 20p each? It doesn't stop there - the system was closed to new clubs. If you wanted to start a new social initiative in your village with funding you could not, the books were closed.

I am confident that Market Lavington's Tuesday Club and any *new* community venture will benefit more from the changes. The new budget presents a better way of working that will see the doors opened to new community ventures which need financial support. The money isn't being taken away; it is simply being distributed in a much fairer way.

You may contact me about this or any other matter by email to [dominic.muns@wiltshire.gov.uk](mailto:dominic.muns@wiltshire.gov.uk) or by phone on **07585 394178**.

## HAVE YOUR SAY! on the new Devizes Health Centre

Healthwatch Wiltshire is **calling on Devizes residents** to have their say on the new health centre which is due to open in the town this summer.

The new facility, currently being built on Marshall Road next to the Devizes Treatment Centre and Green Lane Hospital, is designed to give additional space for health services in the area, making it easier for patients to access locally the care they need all under one roof.

Healthcare professionals from four local GP surgeries will provide patients with same day or next day medical care, as well as routine blood tests and clinics for things like asthma and diabetes, after being referred by their own GP surgery.

Royal United Hospitals Bath NHS Foundation Trust (RUH) will be providing outpatient services including audiology, care of the elderly, paediatrics, rheumatology and urology, while Avon and Wiltshire Mental Health Partnership NHS Trust (AWP) will provide some of its mental health services from the new health centre.

**Share your views** Bath and North East Somerset, Swindon and Wiltshire Clinical Commissioning Group (BSW CCG) has asked Healthwatch Wiltshire to find out how you would like to access services at Devizes Health Centre and what opening hours would suit you.

**Stacey Sims**, Healthwatch Wiltshire Manager, said: "We are keen to hear from Devizes residents about how these services will work for you. Your views will help ensure these services meet your needs."

The survey is available at <https://smartsurvey.co.uk/s/DevizesHC>.

Due to the design of our survey, it may be easier to complete it on a larger screen, such as a computer, laptop or tablet. You can also call us on **01225 434218** to complete the survey over the phone, or ask for a paper copy to be sent to you.

The survey closes on **Sunday 20th March**

## ST BARNABAS SCHOOL C OF E PRIMARY SCHOOL

Unfortunately, due to Storm Eunice we had rather an abrupt end to our 3<sup>rd</sup> term at St. Barnabas School! But we hope everyone has had a restful half term break and has come back feeling refreshed and ready for another fun packed term.

Term 3 saw the welcome return of 'Open the book', a weekly assembly organised by volunteers from the local church who help to bring bible stories to life for the children.

We were also delighted to be invited to take part in the Dauntsey's School Dance Festival and all the children involved delivered a fantastic performance that we are all very proud of. We would like to thank all the staff and parents who supported the event, it really was very special.

In **Sarum Class** (Reception) the children have been learning about the north and south poles and their animals, writing about penguins and talking about freezing and melting.

**Silbury Class** (Years 1 & 2) has made houses to burn as part of it's focus on The Great Fire of London and in Maths we have been looking at pictograms, tallies and block diagrams. As part of our Design and Technology project we designed and made our own fruit kebabs and ate them!

In **Savernake Class** (Years 3 & 4) have been learning about multiplication, money and having daily times tables tests. In history we have been learning about the Stone Age and Iron Age and we were lucky enough to have a very enlightening trip to Stonehenge, a great day in which we all learnt a lot about our local history.

In **Stonehenge Class** we have been working on our bush craft skills; learning to light fires, cut firewood and filter dirty water (not quite clean enough to drink but some very impressive systems). We finished the term with hot chocolate warmed over a fire made by the children.

Please remember that we regularly arrange '**Rags2riches**' collections from our school and this is a great way for our school to raise money. If you are having a clear out of unwanted clothing, paired shoes, soft toys, towels, bedding and household linen - please do drop it in to us.

### ST BARNABAS NURSERY CLASS

Spaces are available for 2-4 year olds. For further information or to request an enrolment form

## Countryside Code Signs and symbols used in the countryside.

### The New countryside code has been launched by Natural England

The guidance on how to enjoy the countryside safely and respectfully when walking, riding or cycling.

For more detailed information go to [www.gov.uk/countryside-code](http://www.gov.uk/countryside-code)

#### Learn your signs and symbols

Yellow arrow - footpath, a recorded right of way for walkers and mobility users

Red arrow - Byway open to all traffic

Blue arrow - bridleway, a recorded right of way for walkers, mobility aid users, horse-riders and cyclists only

**Care for nature** - do not cause damage or disturbance. Leave rocks, stone, plants and trees as you find them and take care not to disturb wildlife including birds that nest on the ground.

Purple arrow- restricted byway, a recorded right of way for walkers, mobility aid users, cyclists, horse-riders and horse drawn vehicles only

The round brown symbol means Open Access in certain areas where you can explore away from the paths: moorland, heathland

National trail created for walking, with horse-riding and cycling possible on some trails

## WHAT'S YOUR STORY

### JULIA OUTLAW AND FAMILY

#### Q. How long have you lived in Easterton?

*Six wonderful months.*

#### Q. What brought you to Easterton?

*A pull to space, history, family and fresh air. Nick and I both grew up in the countryside, met in London and lived the last ten years in Tooting. Lucky enough to find this welcoming, precious spot.*

#### Q. How would you describe your life in eight words?

*Walking together, searching, falling, getting back up, rejoicing!*

#### Q. Where were you brought up?

*North Wales, between the mountains and the sea - Nick in Indonesia.*

#### Q. Education, where did you go to school/college/ or university?

*I studied economics at Cambridge and was a strategy consultant for 10 years before stepping off the conveyor belt to explore mind-body disciplines, (and motherhood!). I've been a teacher of the Alexander Technique for the last 11 years.*

#### Q. Your family?

*Nick and I, and our two girls - Arwen (7), Caitlyn (nearly 4) - and really enjoying having parents and siblings now much closer!*

#### Q. What is your greatest achievement?

*My ongoing recovery from severe long covid and now deeper appreciation of nature's wonders.*

#### Q. If you could acquire any talent, what would it be? To paint!

#### Q. Who, in history, do you admire the most?

*Tricky.. those able to manifest their whole selves unashamedly, and create something - artists and writers. I sense the importance of a connection with the past. I believe that people knew more than we do now about many things including how to be 'well'.*

#### Q. What is your favourite or most interesting job?

*Helping Romanian opera singers to breathe better*

#### Q. What is your favourite occupation/hobby?

*Teaching sacred dancing, little strolls taking photos of nature's colours and patterns*

#### Q. What is your favourite author or book?

*Currently reading David Fideler, Restoring the Soul of the World - a different take on where we're up to. Also devour unchallenging chick-lit.*

#### Q. What's your favourite film or TV programme?

*Feel-good ones only for me!*

#### Q. Is there a plant or flower that is a particular favourite and why?

*Cheery pansies (my granny's name) - and I love seeing the daffodils popping up now!*

#### Q. If you could eat only one thing for the rest of your days, what would it be?

*Ooh.. fresh peaches, or a simple roast chicken. I really enjoy cooking...and eating!*

#### Q. If you could be anywhere else in the world where would it be?

*It would have to be in a little Greek taverna by a sparkling cove.*

#### Q. How have the last few COVID months been for you?

*All of us got covid in Feb 2020 and that year was very tough, as it has been for so many. So glad to see people able to do more now and some of the fear lessening. As I found my own way back to recovery, I gathered some experts together and created free video resources for long covid sufferers through our CIC (Harmony in Health.org). Very grateful to be here now in these surroundings and in this community.*

Thank you so much for taking the time to share your life with the residents of Easterton. *Editor*

## YOUR GENERAL WASTE COLLECTION DAY IS CHANGING NEXT WEEK

From next week, nearly all general household waste collection days will change in Wiltshire. There will be no change to any recycling or garden waste collections which will still take place on their usual day. You should have received a letter in the post with your new collections date ahead of the change. Please look on the [www.wiltshire.gov.uk](http://www.wiltshire.gov.uk) to check the collection in your area. Please leave your bin out by 7am as the time your bin will be emptied may also change.

## GREAT BRITISH SPRING CLEAN 25TH MARCH-10TH APRIL

For more information click on: [Great British Spring Clean](#) which will take you to the Keep Britain Tidy website. Your parish council will be organising a day to go round litter picking Easterton, Eastcott and Easterton Sands. Volunteers are always welcome to join the Parish Councillors (gloves, tabards and equipment is supplied by the Council). The date for the village Spring Clean will be confirmed and advertised on boomCast.

## THE ARTS

## NATURE and GARDENING TIPS

**FALLEN and DEAD WOOD** is one of the most valuable assets for wildlife in the garden. Insects and invertebrates are found in or around rotting wood and are a food source for birds and hedgehogs. Making a woodpile from fallen wood or trees and leaving it to rot is a means of boosting the wildlife in your garden. Hedgehogs like the insects and dead leaves to live in for warmth. Also make sure you have made a Hedgehog Highway through your garden with a neat low level hole in your fence. Create wild areas of lawn and vegetation for them to use for foraging and cover. See [rspb.org.uk](http://rspb.org.uk)

### GARDENING TIP FOR SPRING ...

For vegetables: Delay sowing your new seeds outdoors til next month if the soil is cold and wet but you can plant the shallots or onions!

For Flowering plants: Now is the time to prune your roses before any leaves appear and give them a bit of food.

### THE CLIMATE COALITION - SHOW THE LOVE CAMPAIGN

Get involved in calling for leadership and action on climate change and nature - create a Green Heart and write to your MP asking them to keep up the momentum on climate change and what is important to you.

For more details on the campaign see the website: [www.theclimatecoalition.org](http://www.theclimatecoalition.org)

## THE EASTERTON SEWING BEES

Lesley Seymour came to the Wednesday session to show and talk about her passion for knitting. She came armed with a bag of her beautiful range of knitwear for babies and children. Many questions started to flow about how to start, cast on, what needles to use, how to progress one's ability and how to read a pattern. She demonstrated different complicated looking stitches and what wools she uses. Lesley freely admits that she can't pass a wool shop without going in and purchasing yet more wool. It was a joy to hear from someone who has such passion for the craft and it shows in her work. We have such a variety of needlework and knitting abilities (and great chats over coffee) in the group. We always welcome new people to come and join us on a Wednesday evening in the Village Hall.

## A THOUGHT FROM EDITOR

### Calling all artists and craftspeople

It would be great to have an exhibition of Easterton artists/craft makers in the Village Hall this year. We have a lot of talented people in the village and it would be good to see their work displayed for others to see and perhaps purchase. Painters, sculptors, sewing, wood turning, lace making, printing, knitting plus, plus.

If anyone is interested in organising such an event please let the Editor know: [judy@judyboyt.com](mailto:judy@judyboyt.com)

## COVID RULES AND GUIDANCE

The Government has changed the rules for self isolation for you and your household.

## YANA - You Are Not Alone

Rural Mental Health Support

If you are involved with farming or another rural business in any way and are feeling low or if you are worried about a member of your family, a colleague or a friend, YANA can help.

Call our helpline **0300 323 0400** for confidential support or email: [helpline@yanahelp.org](mailto:helpline@yanahelp.org)

## PLAY YOUR PART IN HELPING LOCAL HOSPITALS

Hospital leaders have said local people can help to reduce pressure on services in three specific ways:

- Helping those who are well enough to leave hospital to recover at home or in another suitable care setting. This will free up beds for those who need to be cared for in hospital.
- Visiting [www.111.nhs.uk](http://www.111.nhs.uk) for healthcare advice when it is not an emergency.
- Call 999 only when it is a genuine life-threatening emergency, so that ambulances are able to respond quickly to those who require emergency care.

## LINK GOOD NEIGHBOUR SCHEME

The Link scheme is looking for more volunteers to help drive people to their appointments.

## EASTERTON VILLAGE HALL WEEKLY ACTIVITIES

**Please Note:** The Village Hall committee is planning an event this year to mark the Queen's Platinum Jubilee. If you have any ideas on how to mark this milestone event, please let the Village Hall Committee or Parish Council know. Of course beacons will be lit across the country, it will be spectacular.
