

Easterton Annual Parish Meeting

22nd April 7.30pm - Easterton village hall

Devizes Assize Court a new home for Devizes museum

In June 2023, Wiltshire Museum received initial funding from the National Lottery heritage Fund for an ambitious project called “Assizes for Devizes: Unlocking Wiltshires Stories”.

This 7-year project aims to revitalise the derelict Devizes Assize Court building into a vibrant community hub and iconic new home for the Wiltshire Museum and its world class collection.

Nicola Trowell, Programme manager for the project, will be discussing the exciting new plans for Assize Court building and how local people can get involved with shaping what the new museum looks like.

Nicola joined Wiltshire Museum seven years ago and has been actively developing this project since 2019. She originally studied archeology at the University of Southampton before joining the heritage sector.

All welcome to this free event with refreshments.
